

## 06 - VOCABULARY: DECIDING AND CHOOSING

- 1 - How do you **make a decision**? Do you make lists of **pros and cons** and carefully **consider all the options**?
- 2 - ... or do you **trust your intuition** and then **make a choice** based on your feelings?
- 3 - If it's an especially **tough decision**, you might want to **ask for advice** from a good friend.
- 4 - After **discussing the issue in-depth** and listening to your friend's suggestions, you can choose to either **take their advice** or **ignore their advice**.
- 5 - When you make a decision very quickly, we call it a **snap decision**.
- 6 - If you do this, then you might need to **defend your decision** against people who don't believe
- 7 - Some people **remain undecided** because they're afraid to make a **costly mistake**
- 8 - Other people are always questioning themselves and **having second thoughts** about the choices they've already made.
- 9 - Although it might seem attractive to **keep your options open** as long as possible, you run the risk of waiting so long that you end up **having no choice**.
- 10 - It's better to develop **sound judgment** so that you can make **wise decisions** and be confident about them
