

08 – VOCABULARY: LEARNING

Kelly **is a very quick learner**; she has only been here for a week so far and has already taken on most of the previous secretary's roles!

Jade has a **wide vocabulary** and speaks very **accurately** but she needs to practise her speaking more

Angel is quite **fluent**, but his **accent** is not very good.

He needs to **increase** his vocabulary because it's quite **basic**

She is learning from her mistakes and she's **making** a lot of **progress**.

Andreas **picks** things **up** very quickly, and he **has a good ear for language**

I can't **figure out** how to do the maths homework.

I **racked my brain**, but I couldn't think of a good topic for my research paper

My exams are next week and I haven't even started studying yet. I'd better **hit the books** tonight

The present perfect tense was hard for me. It took me a while to **catch on**

I can't believe there are people who can **recite** our constitution **by heart**

"If you **cram for a test**, you may get a good mark, but you'll immediately forget what you've learned as soon as the test is over
