

EXERCISE 13 SOLUTIONS

Please fill the gaps using these words and phrases:

“Backpacking, have the time of your life, the language barrier, though, Don't be, to die for, in itself, immerse myself, perspective, no doubt.”

1. I moved abroad because I wanted to **immerse myself** fully in the culture and the language.
2. The hike was exhausting, **though** the view at the top made every step worth it.
3. You have to try their homemade tiramisu; it's absolutely **to die for**.
4. Travelling to different countries has given me a broader **perspective** on what truly matters.
5. I spent last summer **backpacking** across Eastern Europe, and it completely changed the way I see travel.
6. If you join us on this trip, I promise you'll **have the time of your life**.
7. There's **no doubt** you'll improve quickly if you keep practicing every day.
8. Learning a new skill is rewarding **in itself**, even before you start seeing results.
9. “Sorry if I bothered you.” “**Don't be**. I was just taking a break anyway”.
10. At first, **the language barrier** was intimidating, but people were so patient that communication eventually became easier.
