

EXERCISE 19 SOLUTIONS

Please fill the gaps using these words and phrases:

“Guess what, deep-sea, fascinating, extreme conditions, remarkable, rely on, available, check it out, make sure, changed my mind.”

1. **Guess what.** I finally finished the project we’ve been talking about for months.
2. Her ability to stay calm under pressure is truly **remarkable**.
3. Please **make sure** all the files are backed up before you leave.
4. Few organisms can survive such **extreme conditions** without special adaptations.
5. If you’re curious about the exhibition, you should **check it out**.
6. I’ve **changed my mind** after hearing your perspective and reconsidering the consequences.
7. Small businesses often **rely on** local communities for support.
8. The information will be **available** to the public next week.
9. It’s **fascinating** how quickly technology can reshape everyday life.
10. **Deep-sea** exploration has revealed ecosystems we never knew existed.
