EXERCISE 7

Please fill the gaps using these phrases:

“Made up your mind, touched base with, on board, leave it to me, take care of, sounds like a plan, dig up, cherish, been through so much, holding together.”

1. You don't need to worry about booking the flights; our administrative assistant will _____ all the travel arrangements.
2. Despite the heavy workload and the tight deadlines, the team is _____ remarkably well.
3. I will always _____ the memories of the summers we spent at my grandparents' countryside house when we were kids.
4. The journalists managed to _____ some old documents that completely contradicted the politician's official statement.
5. They _____ adversity over the past year, yet they still manage to stay incredibly positive.
6. Meeting at 7 PM outside the theater _____, let's grab a quick bite to eat before the show starts.
