

**VOCABULARY REVISION**  
**DIALOGUE 3 AND 4**  
**EXERCISE 2**  
**SOLUTIONS**

**Match the Situation**

Match each situation (1-10) with the most appropriate phrase (A-J).

1. Emma lost her job last month, but she stayed positive and focused on the new opportunities it might bring.  
**D. see the silver lining**
2. Lucas can't decide between two universities, so he listens to his instincts instead of overthinking.  
**C. trust your gut**
3. Sarah wants to spend more time with her family, so she chooses a job with fewer hours even though it pays less.  
**J. a trade-off**
4. The instructions didn't help, so Daniel had to solve the problem on his own.  
**E. figure out**
5. After the company's system crashed, the team had to rebuild everything without using any previous files.  
**F. start from scratch**
6. Choosing pizza for dinner was obvious—everyone agreed immediately.  
**A. a no-brainer**
7. Mia failed her first driving test, but she's already practicing again and staying confident.  
**G. bounce back**
8. After years of planning, Tom finally decides to open his own business even though it feels risky.  
**H. take the leap**
9. "From my perspective, your idea could really improve our project," said Jenna.  
**I. standpoint**
10. Lena can't have both: she can save more money or travel more often—doing one reduces the other.  
**B. work-life balance**
