

VOCABULARY REVISION
DIALOGUE 5 AND 6
EXERCISE 3

Match the Situation

Match each situation (1-10) with the most appropriate phrase (A-J).

Situations:

1. No matter how often Jack cleans his room, it gets messy again within hours.
2. Working overtime for weeks has started to affect Liam's health and energy.
3. Clara keeps thinking about her exam results all day long and can't focus on anything else.
4. The storm will pass eventually; they just need to wait calmly until it's over.
5. With rising rent and bills, Julia struggles to pay all her expenses each month.
6. When Sam said the company's problem was poor communication, everyone agreed.
7. Before planning their trip, the family set aside money for flights and accommodation.
8. Mark warned his friends that the hike would be much harder than it looked.
9. Emma knows she should stop worrying about everything, but actually doing it is very difficult.
10. The more stressed Mia feels, the less she sleeps, which makes her even more stressed.

Phrases:

- A. *consumed by something*
- B. *be in for something*
- C. *hit the nail on the head*
- D. *make ends meet*
- E. *take a toll*
