

EXERCISE 21 B SOLUTIONS

Please fill the gaps using these words and phrases:

“By the way, admire, have been through (a problem), held us together, makes special, might do, a good opportunity, affection, take care, give them a big hug”

1. Attending the workshop next month will be a good opportunity to expand your skills and network with professionals in the field.
2. By the way, I noticed you're interested in photography; have you checked out the new exhibition?
3. She showed her affection by bringing homemade soup when I was feeling under the weather.
4. Her calm behaviour and wise advice always held us together during family crises.
5. Feeling a bit stressed? A leisurely walk in the park with a good book might do wonders for clearing your mind.
6. "Take care during your travels; remember to stay hydrated and get enough rest," she reminded him before his trip.
7. I admire her ability to find joy in the simplest moments and her unwavering optimism.
8. Whenever I see my grandparents, I always make sure to give them a big hug to show my love and appreciation for them.
9. They have been through their fair share of hardships, but their resilience has always shone through.
10. It's the way they always remember the little details that make each birthday celebration special.
